Dear Sir or Madam

NOTIFICATION OF WORKS – A5 MCI SOUTH PATCHING

I'm writing to let you know that we'll be carrying out essential maintenance work on the A5 between Old Stratford Roundabout and Weedon Bec. This work will be carried out from **Monday 20 February 2023** and will be completed by **end of March 2023**. We'll be working overnight, between 8pm and 6am, when there is less traffic on the road.

Our work will include the following:

- Resurfacing works
- Remarking white lines
- Replacing road studs
- Recutting loops

We'll make every effort to ensure the impact on the local community and travelling public is kept to a minimum.

How will the work affect traffic?

To maintain a safe environment for our workforce and motorists, all work will be carried out under full road closures as follows:

- A5 between Old Stratford Roundabout to Tove Roundabout contain sections of road closures from **Monday 20 February 2023 to Wednesday 8 March 2023**
- A5 between Tove Roundabout and Weedon Bec closed from **Thursday 9 March to 19 March 2023**.

We always aim to work to the programme, however unforeseen circumstances or adverse weather conditions may mean changes.

During the work, access will be maintained to frontages and for emergency services vehicles.

A fully signed diversion route will be in place during the work and has been agreed with the local authority.

Please accept our apologies in advance for any inconvenience this may cause.
